*Joinery*

*Painting and Decorating*

*Plastering*

*Project Management*

*Quantity Surveying*

*Rigging*

*Roofing*

*Shop fitting*

*Steel Reinforcing*

*Tiling*

## Course description

This qualification provides a pathway to the primary trades in the construction industry with the exception of plumbing. Trade outcomes are predominantly achieved through an Australian Apprenticeship and this Certificate II allows for inclusion of skills suited for entry to off-site occupations, such as joinery and shop fitting as well as carpentry, bricklaying and other occupations in general construction.

This Certificate II is designed to introduce learners to the recognised trade callings in the construction industry and provide meaningful credit in a construction industry Australian Apprenticeship.

As part of this course students must undertake the WH&S General Induction for Construction Work (White Card), and SafeWork NSW will credit students who successfully complete the course. It is mandatory that all students complete this course prior to work placement. The WH&S General Induction allows students to work on a construction site.

<b>Course recognition</b>	This course is dual accredited, it contributes to your HSC as well as an AQF qualification recognised by industry.
<b>Duration</b>	2 years
<b>Unit Value &amp; hours</b>	240-hour course - 2Unit Preliminary & 2Unit HSC
<b>Category</b>	<b>Category B</b> and counts towards your HSC
<b>HSC exam</b>	<b>Optional</b> but mandatory for inclusion in ATAR
<b>Work Placement</b>	Mandatory 35 hours each year

## Assessment

This course is competency based and the student's performance is assessed against prescribed industry standards. Assessment methods may include:
